

# Importance of Money

50 MCQS for  
4-6 group

1. When you get money as a gift, what should you do first?

- a) Spend it all on toys
- b) Save some in a piggy bank
- c) Hide it under the bed
- d) Buy chocolates for everyone

**Correct Answer: b) Save some in a piggy bank**

Explanation: Saving helps us buy important things later, like a special toy or a gift for a loved one.

2. What is a "want"?

- a) Food to eat
- b) A new video game
- c) Clothes to wear
- d) A bottle of water

**Correct Answer: b) A new video game**

Explanation: A want is something we like but don't need for living, like toys or games.

**3. If you go to the market with ₹50, what should you do?**

- a) Buy the first thing you see
- b) Ask your parents for more money
- c) Decide what you need and spend carefully
- d) Buy candy for all your friends

**Correct Answer: c) Decide what you need and spend carefully**

**Explanation:** It's important to think and plan before spending money so we don't run out.

**4. Why is it important to save money?**

- a) To buy everything in one day
- b) To keep it safe for important things later
- c) So parents don't have to give us money
- d) To show others how much we have

**Correct Answer: b) To keep it safe for important things later**

**Explanation:** Saving helps us buy special things or use money when we really need it.

**5. Which of these is an example of a "need"?**

- a) A new school bag
- b) Food to eat every day
- c) A birthday cake
- d) A big teddy bear

**Correct Answer: b) Food to eat every day**

**Explanation:** Needs are things we must have to live, like food, water, and clothes.

6. If you want to save ₹10 every day, how much will you have after 5 days?

- a) ₹20
- b) ₹50
- c) ₹100
- d) ₹5

**Correct Answer: b) ₹50**

**Explanation:** Saving little by little adds up to a bigger amount.

7. Who can help you decide between a need and a want?

- a) Your teacher
- b) Your parents
- c) Your friends
- d) Your pet

**Correct Answer: b) Your parents**

**Explanation:** Parents guide us to make the right choices about what's important.

8. What should you do if you want a new toy but don't have enough money?

- a) Cry until someone buys it
- b) Borrow money from a friend
- c) Save a little every week to buy it later
- d) Forget about it

**Correct Answer: c) Save a little every week to buy it later**

**Explanation:** Saving teaches us patience and how to achieve goals.

### 9. Why should you think before spending money?

- a) To make sure it's a smart choice
- b) To show others you have money
- c) To buy the biggest things
- d) To keep your parents happy

**Correct Answer: a) To make sure it's a smart choice**

**Explanation:** Thinking before spending helps us buy only what's really needed.

### 10. Where can you keep money safe?

- a) In your toy box
- b) In your piggy bank
- c) Under the sofa
- d) In your friend's bag

**Correct Answer: b) In your piggy bank**

**Explanation:** A piggy bank is a safe place to keep money and helps us save.

### 11. If you break your friend's toy, what should you do?

- a) Hide it and say nothing
- b) Say sorry and try to fix it
- c) Blame someone else
- d) Throw it away

**Correct Answer: b) Say sorry and try to fix it**

**Explanation:** Saying sorry shows honesty and care for our friends.

## 12. How can you show kindness?

- a) Share your snacks with a friend
- b) Push others in a line
- c) Take someone else's toys
- d) Shout when you're upset

**Correct Answer: a) Share your snacks with a friend**

**Explanation:** Sharing shows kindness and makes others happy.

## 13. What should you do when your teacher is talking?

- a) Listen quietly
- b) Talk to your friend
- c) Play with your pencil
- d) Sing a song

**Correct Answer: a) Listen quietly**

**Explanation:** Respecting your teacher means paying attention when they speak.

## 14. Why is teamwork important?

- a) To play alone
- b) To finish things faster and make friends
- c) To always win
- d) To boss others around

**Correct Answer: b) To finish things faster and make friends**

**Explanation:** Teamwork helps us work together and have fun.

**15. If someone falls down, what should you do?**

- a) Laugh and walk away
- b) Run and call others
- c) Help them get up
- d) Ignore them

**Correct Answer: c) Help them get up**

**Explanation:** Helping others shows kindness and care.

**16. What should you say if someone gives you a gift?**

- a) "Why is it so small?"
- b) "Thank you!"
- c) "Give me another one."
- d) "I don't like it."

**Correct Answer: b) "Thank you!"**

**Explanation:** Saying "thank you" shows gratitude and good manners.

**17. If you see someone cheating in a game, what should you do?**

- a) Join them
- b) Tell them it's not fair
- c) Stop playing
- d) Cheat back

**Correct Answer: b) Tell them it's not fair**

**Explanation:** Honesty is important in games and life.

**18. Why should we take turns while playing?**

- a) So everyone gets a chance
- b) To play faster
- c) To show who's the best
- d) To confuse others

**Correct Answer: a) So everyone gets a chance**

**Explanation:** Taking turns is respectful and makes games fun for everyone.

**19. What is the best way to greet someone in India?**

- a) High five
- b) Hug
- c) Namaste
- d) Ignore them

**Correct Answer: c) Namaste**

**Explanation:** Namaste is a respectful and traditional Indian greeting.

**20. Why should you share your toys?**

- a) So everyone can play together
- b) To show off your toys
- c) To make others jealous
- d) So you don't play alone

**Correct Answer: a) So everyone can play together**

**Explanation:** Sharing brings happiness to you and others.

**21. Who helps you get ready for school every day?**

- a) The shopkeeper
- b) Your parents or guardian
- c) Your neighbor
- d) Your teacher

**Correct Answer: b) Your parents or guardian**

**Explanation:** Parents work hard to take care of us, so we should thank and love them.

**22. How can you say “thank you” to your parents?**

- a) By ignoring them
- b) By giving them a hug
- c) By taking their things
- d) By shouting at them

**Correct Answer: b) By giving them a hug**

**Explanation:** Showing love and gratitude makes our parents happy.

**23. Why is it important to take care of your toys?**

- a) Because they are expensive and special
- b) So you don't have to share
- c) To play with them every day
- d) To hide them from friends

**Correct Answer: a) Because they are expensive and special**

**Explanation:** Taking care of toys means they last longer and stay fun to play with.

**24. What should you do when your grandparents tell you stories?**

- a) Listen carefully
- b) Walk away
- c) Interrupt them
- d) Start playing

**Correct Answer: a) Listen carefully**

**Explanation:** Listening to elders shows respect and helps us learn important lessons.

**25. How can you show your love for your siblings?**

- a) Share your toys and play with them
- b) Fight over everything
- c) Hide their things
- d) Never talk to them

**Correct Answer: a) Share your toys and play with them**

**Explanation:** Sharing and playing together strengthens our bond with siblings.

**26. Why is it important to say “please” and “thank you”?**

- a) Because they are magic words
- b) To impress people
- c) To get what you want quickly
- d) To make others give you things

**Correct Answer: a) Because they are magic words**

**Explanation:** Saying “please” and “thank you” makes people feel happy and respected.

**27. If your friend forgets their lunchbox, what can you do?**

- a) Share your lunch with them
- b) Tell them to buy something
- c) Eat in front of them
- d) Ignore them

**Correct Answer: a) Share your lunch with them**

**Explanation:** Sharing food shows kindness and care for others.

**28. What is one way to thank the Earth for giving us fruits and vegetables?**

- a) Waste food
- b) Plant trees
- c) Cut down plants
- d) Throw garbage on the ground

**Correct Answer: b) Plant trees**

**Explanation:** Planting trees helps us take care of the Earth and keep it green.

**29. If your favorite toy breaks, what should you do?**

- a) Throw it away
- b) Try to fix it with help
- c) Blame someone else
- d) Buy a new one immediately

**Correct Answer: b) Try to fix it with help**

**Explanation:** Fixing things teaches us patience and responsibility.

**30. How can you help your parents at home?**

- a) By cleaning your toys after playing
- b) By making more mess
- c) By asking them to do everything
- d) By sitting quietly all day

**Correct Answer: a) By cleaning your toys after playing**

**Explanation:** Helping with small tasks shows gratitude for all your parents do.

**31. Why is it important to keep your school bag neat?**

- a) To find things easily
- b) To impress your teacher
- c) To make it look heavy
- d) To hide things

**Correct Answer: a) To find things easily**

**Explanation:** A clean school bag helps you stay organized and ready for school.

**32. What should you do if someone gives you something small, like a pencil?**

- a) Say "thank you" and use it carefully
- b) Say "this is not enough"
- c) Throw it away
- d) Ask for something bigger

**Correct Answer: a) Say "thank you" and use it carefully**

**Explanation:** Being thankful for small things shows respect and appreciation.

**33. Why should we spend time with family during festivals?**

- a) To watch TV all day
- b) To enjoy special moments and traditions
- c) To eat sweets alone
- d) To play by ourselves

**Correct Answer: b) To enjoy special moments and traditions**

**Explanation:** Festivals bring families closer and make us happy together.

**34. What should you do with books after reading them?**

- a) Tear the pages
- b) Keep them safely on a shelf
- c) Throw them around
- d) Forget where you left them

**Correct Answer: b) Keep them safely on a shelf**

**Explanation:** Keeping books safe lets us enjoy reading them again.

**35. If your grandparents are not feeling well, what can you do?**

- a) Sit with them and talk to make them happy
- b) Go play outside
- c) Ignore them
- d) Ask them to play with you

**Correct Answer: a) Sit with them and talk to make them happy**

**Explanation:** Spending time with grandparents shows love and care.

**36. How can you show gratitude for your school?**

- a) By keeping the classroom clean
- b) By drawing on the walls
- c) By throwing papers everywhere
- d) By leaving toys on the floor

**Correct Answer: a) By keeping the classroom clean**

**Explanation:** Keeping our school clean shows we value and respect it.

**37. Why is it important to switch off lights when you leave a room?**

- a) To save electricity and help the planet
- b) To make the room dark
- c) To play with the switches
- d) To trouble others

**Correct Answer: a) To save electricity and help the planet**

**Explanation:** Saving electricity helps protect the Earth's resources.

**38. If your friend gives you a gift, what should you say?**

- a) "I don't like this."
- b) "Why did you give this to me?"
- c) "Thank you! I love it."
- d) "Can you give me another one?"

**Correct Answer: c) "Thank you! I love it."**

**Explanation:** Showing gratitude makes others happy and strengthens friendships.

**39. What is the best way to take care of your school uniform?**

- a) Keep it clean and folded
- b) Leave it on the floor
- c) Wear it while playing in the mud
- d) Tear it while playing

**Correct Answer: a) Keep it clean and folded**

**Explanation:** Taking care of uniforms helps us look neat and tidy.

**40. How can you show love to your family?**

- a) By helping and spending time with them
- b) By being angry with them
- c) By ignoring them
- d) By playing alone all day

**Correct Answer: a) By helping and spending time with them**

**Explanation:** Helping and sharing time shows how much we love and care for them.

**41. What should you do if you borrow a friend's toy?**

- a) Keep it and not return it
- b) Return it after playing and say "thank you"
- c) Hide it so no one sees
- d) Break it and give it back

**Correct Answer: b) Return it after playing and say "thank you"**

**Explanation:** Returning things and showing gratitude builds trust and respect.

**42. If you spill water on the floor at home, what should you do?**

- a) Leave it there
- b) Wipe it up to avoid accidents
- c) Blame your sibling
- d) Call a friend to see it

**Correct Answer: b) Wipe it up to avoid accidents**

**Explanation:** Cleaning up helps keep everyone safe and shows responsibility.

**43. How can you make your family happy?**

- a) By listening to them and being kind
- b) By fighting with everyone
- c) By ignoring them when they talk
- d) By making a mess every day

**Correct Answer: a) By listening to them and being kind**

**Explanation:** Kindness and listening make everyone feel loved and happy.

**44. Why is it important to keep your shoes in the right place?**

- a) To keep them safe and find them easily
- b) To show others how big they are
- c) To play hide-and-seek with them
- d) To let someone else use them

**Correct Answer: a) To keep them safe and find them easily**

**Explanation:** Keeping things in their place helps us stay organized.

**45. If you see someone hungry, what should you do?**

- a) Share your food if you can
- b) Hide your food
- c) Say, "It's mine, not yours."
- d) Walk away

**Correct Answer: a) Share your food if you can**

**Explanation:** Sharing food shows kindness and helps someone in need.

**46. What should you do if you find a pencil that is not yours?**

- a) Keep it for yourself
- b) Give it to the teacher or its owner
- c) Use it and hide it
- d) Throw it away

**Correct Answer: b) Give it to the teacher or its owner**

**Explanation:** Returning lost things shows honesty and respect for others.

**47. Why should you thank your bus driver or auto driver?**

- a) Because they help you reach home safely
- b) Because they give you free rides
- c) To get a longer ride
- d) To impress your friends

**Correct Answer: a) Because they help you reach home safely**

**Explanation:** Saying thank you shows gratitude for their work and care.

**48. If your parents are busy, how can you help?**

- a) Keep yourself busy with drawing or playing
- b) Keep calling them for help
- c) Cry until they come to you
- d) Make a mess in the house

**Correct Answer: a) Keep yourself busy with drawing or playing**

**Explanation:** Helping parents by being responsible makes them feel relaxed.

**49. What should you do when you accidentally tear a page from your book?**

- a) Try to fix it with tape
- b) Hide the book
- c) Blame someone else
- d) Throw the book away

**Correct Answer: a) Try to fix it with tape**

**Explanation:** Taking care of things by fixing them teaches responsibility.

**50. How can you show gratitude for your favorite meal?**

- a) Say "Thank you" to the person who cooked it
- b) Complain about the taste
- c) Leave it on the plate
- d) Refuse to eat it

**Correct Answer: a) Say "Thank you" to the person who cooked it**

**Explanation:** Gratitude shows we appreciate the effort of those who care for us.
